You have received new feedback on the submission, "From Code to Cloud: Embedding Security in Every Step".

Event: SREday San Francisco - Late 2024

Title: From Code to Cloud: Embedding Security in Every Step

Congratulations Siri Varma Vegiraju!

Your talk, From Code to Cloud: Embedding Security in Every Step, has been selected for SREday San Francisco - Late 2024.

We are really excited to have you speak and we think your talk will really help make SREday San Francisco - Late 2024 amazing.

Can you please confirm that will still be able to attend by visiting the link below and letting us know whether you can or can not still attend?

<https://www.papercall.io/submissions/171357/confirm>

If you accept we will reach out to you later with further details.

Thank you again for you submission and we really hope that you will accept our invitation to speak.

Sincerely,

SREday San Francisco - Late 2024 Organizers
