What is Denver Dev Day?

Welcome to Denver Dev Day, Colorado's premier, local community-organized developer event. With presentation topics ranging from desktop, micro-services, and web development to patterns, the cloud, and soft skills, Denver Dev Day is your awesome, free, day-long resource for developer learning. It's a developer conference, silly!

	Maroon 1	**Maroon 2**	**Pyramid Peaks**
8:00 am		**Breakfast**	
9:00 am		**Opening**	
9:30 am	MAROON 1 (60) 9:30 am → 45 min **Keynote (Brooke Layman)**
